[REDACTED]

Dear [REDACTED]

Your help is urgently needed.

As you know, Eric Massa, who narrowly won my Congressional seat after two hotly contested races, is pushing President Obama's liberal platform that threatens the core of our economic system.

Specifically, Massa is on the record in favor of a single-payer government administered healthcare system that would ration healthcare, and has voted to support the Presidents so-called "stimulus" package that has funded liberal pet projects without any boost to our economy. Additionally, Washington, DC special interest groups are controlling the agenda right here at home, by funneling thousands of dollars into Massa's campaign.

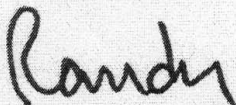

Fortunately, the liberals' ill-conceived agendas have caught the attention of freedom loving folks just like you who are mounting a grassroots challenge to the direction they want to take us.

That's why I'm excited that Tom Reed, the current Mayor of Corning, has stepped-up to reclaim our district for the common sense principals that I, and Amo Houghton before me, took to Washington.

But Tom Reed needs our help to begin the work necessary to defeat this liberal foot soldier of Speaker Nancy Pelosi and her left wing agenda.

Please take the time and pledge your support now. Return the enclosed envelope as soon as possible to Tom Reed for Congress, PO BOX 450, Victor, NY 14564 with your generous campaign contribution.

Sincerely,

John "Randy" Kuhl, Jr.

PS We all need to contribute to Tom Reed's Congressional Campaign in order to mount an effective challenge to the big-government spending and socialist objectives being promoted, most especially the government making your health care decisions for you.
