**WORKING IN CONGRESS TO PRESERVE THE LOW-INCOME
HEALTH INSURANCE PROGRAM AND KEEP KIDS HEALTHY**

CONGRESSMAN
RANDY KUHL

I voted to reauthorize the State Children's Health Insurance Program to ensure that over 6 million children will continue to receive the care they need.

I support health care for low-income children, and I support the SCHIP program. Throughout the last several months, I have remained committed to reauthorizing SCHIP to cover all of America's low-income children. I voted for an SCHIP reauthorization that increases funding for current enrollment levels and provides additional resources to help states avoid potential problems without raising taxes.

- I VOTED YES to the bill that ensures any child currently with SCHIP coverage will continue to have access to health insurance.
- I VOTED YES to the bill that serves the most needy children first.
- I VOTED YES to a bill that covers low-income American children, not illegal aliens.

This reauthorization allows Congress additional time to work together and craft a bill that puts poor children first.

New York's Children's Health Insurance Program is called Child Health Plus (CHP). This coverage includes:

- ✓ Well-child care
- ✓ Physical exams
- ✓ Immunizations
- ✓ Outpatient surgery
- ✓ Emergency care
- ✓ Prescription and non-prescription drugs if ordered
- ✓ Dental care
- ✓ Vision care
- ✓ Speech and hearing
